Developing-a-Healthy-Neighbourhood

Survey: Developing a Healthy Neighbourhood

This survey can also be undertaken online via a link on the www.deepingsfirst.org.uk site

At the heart of our Deepings Neighbourhood Plan development is the suitable location of new housing, and the formation of appropriate local policies to secure the long-term health and well-being of individuals, families and our community. This Survey focuses on healthy living and community well-being. Please answer as an individual (as family members' answers may differ) and it would be helpful to us if you could provide an answer to every question. We thank you for contributing to the development of our Neighbourhood Plan.

When completed, please return this survey to the Market Deeping Town Hall or the Deeping St. James Institute in an envelope clearly marked as **Neighbourhood Plan Survey** by February 28th Thank you.

Heritage

Please take a few moments to consider these questions carefully.

1. How important is it to retain the historical building in both Market Deeping and Deeping St. James? Score 1-5
2. Church Street in Market Deeping has been officially recognised as being one of the best examples of a Georgian street in Lincolnshire, due to its wide open aspects, wide grass verges and attractive facades. How important is it to try and reflect this type of architectural setting in future developments? Score 1-5
3. How important is it to preserve the visual characteristics found inside the Conservation Areas within both areas of Market Deeping and Deeping St James? Score 1-5
4. How important is it to preserve the characteristics of those areas adjoining the Conservation Areas in both Market Deeping and Deeping St James, when considering the introduction of possible new developments? Score 1-5
5. There are two Grade I listed Churches in this Settlement. How important is the visual impact of these when considering any new developments? Score 1-5
6. How important to you are the Green areas within the built environment of both part of the Settlement? Score 1-5
7. When a new development is being built, where would you like to see the allocated green space(s) located?
 - a) In the middle as one larger focal point
 - b) At any of the edges of the development
 - c) Smaller areas scattered throughout the development
 - d) I don't have an opinion on this
8. How important is it to have access to a large open green space, for example a park or sports fields? Score 1-5
9. In addition to the existing public footpaths and Ancient Rights of Way, The Green Walk aims to provide an additional pedestrian pathway around the Deepings. How important is this for you? Score 1-5
10. Some of the trees within the Deepings are protected by Tree Preservation Orders, others are not. How important is the presence of trees within the existing built environment and any future developments? Score 1-5
11. The River Welland joins the two Settlements and is now used largely for recreational purposes. How important is the River, and continued access, to you? Score 1-5
