Morning Gordon

Information breakdown as follows;

Total applicants on the self-build register since it was created = **84**

Total applicants who are from The South Kesteven District = **47**

Total applicants who are from the Deepings area = **6**

Hope this was helpful to you – let me know if you require anything else.

Kind Regards.

Subject: self build and custom housing

Hi Jake,

Further to our discussion, I confirm I am reviewing the relevance of the self-build register to local policy making.

Please let me know how many people are registered on the relevant register, by district and area (plainly I am most interested in The Deepings but it would be good to have broader context).
